### FINAL WORD TO-MORROW

ton meeting to-morrow.

### "NO CHANGE TO-DAY," REPORTS MITCHELL.

To Editor Evening World:

situation to-day. All the mines are idle. The suspension order will remain in ef-

I leave for Hazleton at 2.18 this afternoon. The outlook is that no concessions will be offered. I cannot say whether there will be a strike or not. That depends upon the will and the vote of the Mine

John Mitchell, President U. M. Wilkesbarre, May 13.

### \*\*\*\* This Is How the Coal

The most careful estimates obtainable to show how a permanent strike order to the coal miners would affect the coal situation and coal prices in this city, nets these figures

On hand here . . 250,000 tons Supply would last .. 2 weeks Stored by operators,

4,000,000 tons

\$5.35 per ton permanent strike order would at once advance the

price of coal. 50c. per ton

WILKESBARRE, Pa., May 13.-"To-morrow's convention at Hagleton will vote for a strike unless the operators make concesthe convention may last two days, but no longer time will be

The Bakers' Union in the Bronx has made a demand for a ten-hour workday and there are strikes in about twenty bakeshops where the demand has been for the calling out of the firemen, en-

"concessions or strike."

The companies are busily preparing for the calling out of the firemen, engineers and pumpmen, which is expected to follow the day after the convenient decides for a permanent scrike.

The first batch of non-union men were imported into this region to-day. It is understood that the men come from Philadelphia and Buffalo. Several houses are being built for their accommodation and they will be kept on the land of the company so that they may be guarded from interference.

The collieries are now guarded by armed coal and from notice, and their numbers are being rapidly increased.

The operators are startled by the Superstance of the party of the company so that they may be guarded from interference.

The operators are startled by armed coal and from notice, and their numbers are being rapidly increased.

## COLLEGE CLUBS PLAN FOR BIG PING-PONG TOURNEY.

rook Central round from the control of \$381,600 against the Spuy-ten Duyvil and Port Morris road. A motion to etrike out the assessment was argued before Justice Steckler to-Lead in the City.

That there will soon be an interalumni organizations of Yale, Harvard, Princeton and Columbia is now egarded as settled.

The Columbia Club is planning a tournament to begin Thursday for the purpose of picking the champions who will represent it.

Yale is busy strengthening its team. This club has already met the Harvard club and broken even, and has in addition defeated the Princeton team of four players. At the Columbia club the tourna-

ment is to be so large that the hall of the club will have to be employed instead of the ping-pong room. Several members of these collegiate rganizations and many tennis players

have recently returned to tennis after winter spent in ping-pong practice to nd that the new game has made them dumsy at the old one. In the open Brooklyn tournament Ewing, for the Boys' High School, has been putting up a stout battle against

Drisel, of the Polytechnic Institute, and Erasmus School. He beat Kearney, 6-0 Members of the Fenimore Social Club are advancing in ping-pong skill, and have determined to chailenge all other Ken

social clubs of the city. The best players are Arman Mansell, Melville Levy. Abe Shapiro, Arthur Strauss, Harry Kressner and Naomi Levy. The opposite extremes at which ping-

pong is favored are well illustrated by Engineers' Union in the section of the rapid transit tunnel for which Bradley & Co. have the contract, unless the con-tractors order a strict eight-hour work-

TOLEN RIDE COST LIFE. Joseph Holtz, fourteen years old, of No. 355 East Tenth street, while attempting to unfasten the tail-board of a wagon, was struck on the head by the tail-board and sustained injuries from which he died in Believue Hospital this morning.
